Dear Honorable Lisa S.Gretchko,

I am writing this letter to provide a character reference Melinda Adducci. Being in the jewelry industry I had the opportunity to assist in several of her company's jewelry auctions in Michigan. I assisted in the previous weeks preview of the items to be auctioned and the day of the auction. At no time have I ever seen, heard or witness anything that was not honest and fair. Melinda always presented herself in a professional manner being truthful, transparent in all of her sales including retail market. I have never heard anything other than I have stated. Melinda has always shown the trust, honesty that is imperative to a successful jewelry career. In addition to her professional qualities, Melinda is a real caring person who holds her integrity and self respect high. She is a mother and a grandmother. She would never do anything to harm anyone in any way.

Best regards,
